

FONTWELL PARK

RACING & EVENTS

CONFERENCES & MEETINGS

Fontwell Park is home to one of the best conferencing and meeting facilities on the South Coast. With a vast range of facilities to suit all requirements, Fontwell Park offers a number of flexible options for business events with 10 – 400 guests.

Natural daylight, free Wi-Fi, complimentary unlimited parking and state of the art AV equipment in our new grandstand will help your day run to the standards you expect. Easy access directly from the A27 will ensure delegates will not need to battle through city centre traffic and a mainline train station is just 5 minutes away.

With sixty acres of land, there is also the opportunity to include some team building activities. These have previously included everything from go karting, a drumming workshop, orienteering and even a pantomime horse race!

For the event organiser who requires a venue with character and versatility, with an excellent focus on customer service, Fontwell Park Racecourse is the right location.
