Making a difference to local lives

Pay for a Day

Will you be a Leap Year Legend?

Did you know it costs **£26,000 per day** to provide specialist end of life care for people in our community and to support their families and loved ones.

2024 is a Leap Year and February has an extra day in the month.

So, we are asking if you could be a Leap Year Legend for St Wilfrid's Hospice and help us **Pay for an Extra Day** of vital end of life care.

And That's Not All!

Every pound you raise in February will be match funded up to £26,000!
So, please join us to help Pay for a Day.

There lots of ways to get involved and help us reach the grand total:

Donate

We have a dedicated Pay for a Day Just Giving page– whatever you give will get doubled, so you have a chance to make a BIG difference

Get, Set, Go

Set yourself a challenge in February and get your friends and family to sponsor you

Swap it out

Whether you choose to give up one coffee a week or give up your chocolate habit. Donate those pennies to the Hospice and see them get doubled!

Tell a Friend

You can join us on our Pay for a Day Just Giving site and have your own sponsorship page. Tell your friends and family what St Wilfrid's Hospice means to you and ask them to donate. Remember it gets doubled!

Whatever you can do will make a BIG difference.

We are here to help you come up with fun and creatives ideas to fundraise in February. We can also help with setting up sponsorship pages online.
